

Can you help identify  
this please?

# Josh's Find

# Any thoughts?

- Light and hollow
- Similar size and shape to hawking whistles
- Do you recognise the patterns?
- Could one of the images be a sun god? Roman? Norse?
- What about the other patterns, chain, floral?
- Please send comments to [chair@millomhistory.org.uk](mailto:chair@millomhistory.org.uk)
- Thank you.
